Enjoy the "State's Best Milkshake" as stated in Ohio Magazine. Just 10 minutes south of Springfield. Young's Jersey Dairy is a family owned and operated business located one mile north of Yellow Springs, Ohio on Route 68. We have a working dairy farm, make homemade ice cream, and operate two restaurants and a bakery. We have two wonderful gift shops with many collectibles.

In addition, we have many family entertainment options for our guests. Miniature golf, watching the cow milking, petting goats and other animals, a beautiful driving range, and a batting cage are just some of the fun things to do during your visit.

A dairy farm famous for its ice cream creations, the tour includes a short video showing how the farm operates from feeding and milking cows, to processing the milk and ice cream, to the final sale in the store. You will also visit with the goats, cows, calves, and other animals, take a wagon ride (weather permitting), have a cup of homemade vanilla ice cream, a cookie, and an ice cream coupon (for a return visit). 56 miles from Sidney.
